FOUNDATION

1 Barnard Dr., Oceanside, CA 92056 760.757.2121

September 8, 2022

Dear Eva,

Thank you for your interest in joining the MiraCosta College Foundation Board of Directors.

You can learn more about the foundation and its board of directors by visiting <https://foundation.miracosta.edu/foundation/>. Here you will find a broad overview of the foundation as well as detailed information regarding board service under the [board manual](#) link.

Board members are first and foremost ambassadors for MiraCosta College. They share their time, treasure, and talents to maintain the [vision](#) and advance the [mission](#) of the foundation. Board members serve a four-year term with a limit of two consecutive terms. Throughout their tenure, board members provide insight and guidance to the foundation through the lens of their respective professional backgrounds. Board members are responsible for assuring the foundation's fiduciary conformance in the receipt, management, and administration of gifts received by the foundation for the benefit of MiraCosta College. Philanthropic leadership by board members is crucial to the success of the Foundation. Many board members have endowed scholarships, secured corporate foundation grants, and included the MiraCosta College Foundation in their estate plan. At a minimum, board members make a \$1,000 donation annually to a fund of their choice. Donors who give a \$1000 or more per fiscal year are part of the President's Circle.

Please take a few minutes to fill out the following questionnaire so we can get to know you better. Once your questionnaire has been received, the Executive Director of the Foundation will contact you with regards to the next steps in the candidate process.

Again, we appreciate your interest in the MiraCosta College Foundation and look forward to furthering our relationship with you.

Sincerely,

David McGuigan
President, MiraCosta College Foundation Board

Denise Stillinger

Why do you want to join the MiraCosta College Foundation Board?

I have not served on any boards in the past. However, at this point in my life it is time to give back. I am looking to get involved with an institution where its values aligned close with mine. I am very passionate about education. I would not be where I am today without it. I also believe that quality and accessibility are key words in the education world. I think every educational institution should strive in providing that to its community. I imagine by serving on MiraCosta Board, I would be able to work towards achieving those goals.

What are some of the qualities and strengths you can bring to the Board?

I am a go getter and an independent thinker. I very rarely take a no for an answer. It has taken me awhile to find what I truly enjoy as my career. However, I have gained a tremendous amount of knowledge through all of my professional experiences. I understand sales, customer service, business operations. Because of my experience in sales, I would be able assist in securing resources for MiraCosta College. I have a very outgoing personality and I enjoy raising funds for good causes. I volunteered to do so on many occasions at my children's schools.

How can we best utilize your skills to advance the Foundation's mission and vision?

I would like to be able to attend events organized by the board and/or school to promote the schools services and secure outside resources. If there is an opportunity for helping current and future students with their career goals, motivation, etc... I think I would like to get involved. Last but not least - I am a CPA with lots of love for numbers and therefore I see myself being involved in that field with the Board.

What are your interests and passion regarding MiraCosta College?

In general, I am passionate about education. I love the affordability of the school, the wide array of courses available, and the quality of classes, all based on my daughter's experience. A community college is a fantastic idea. It is very rare that a graduating high schooler has a career idea already solidified. I think without community colleges, many students would end their education at high school level as four year colleges are not only unaffordable to many but also very competitive to enter.

You can learn more about the foundation and its board of directors by visiting <https://foundation.miracosta.edu/foundation/>. Here you will find a broad overview of the foundation as well as detailed information regarding board service under the [board manual](#) link.

Board members are first and foremost ambassadors for MiraCosta College. They share their time, treasure, and talents to maintain the [vision](#) and advance the [mission](#) of the foundation. Board members serve a four-year term with a limit of two consecutive terms. Throughout their tenure, board members provide insight and guidance to the foundation through the lens of their respective professional backgrounds. Board members are responsible for assuring the foundation's fiduciary conformance in the receipt, management, and administration of gifts received by the foundation for the benefit of MiraCosta College. Philanthropic leadership by board members is crucial to the success of the Foundation. Many board members have endowed scholarships, secured corporate foundation grants, and included the MiraCosta College Foundation in their estate plan. At a minimum, board members make a \$1,000 donation annually to a fund of their choice. Donors who give a \$1000 or more per fiscal year are part of the President's Circle.

Please take a few minutes to fill out the following questionnaire so we can get to know you better. Once your questionnaire has been received, the Executive Director of the Foundation will contact you with regards to the next steps in the candidate process.

Again, we appreciate your interest in the MiraCosta College Foundation and look forward to furthering our relationship with you.

Sincerely,

David McGuigan

Board Involvement Agreement

I understand as a MiraCosta College Foundation Board Member that I will fulfill the following commitments:

- **As Donors:** Members are expected to donate at least \$1,000 annually to the Foundation. Ideally, this should come from a personal donation by the member. Being able to state that all members are donors makes a powerful statement about commitment and credibility to individuals, companies, and institutions being asked to support MiraCosta College.
- **As Participants:** Members have a fiduciary responsibility to the Foundation. They will remain aware of fiscal management and other activities of the Foundation by attending the annual board retreat and at least two board meetings per year. They will also actively participate in at least two committees and attend at least two college events and one fundraising event per year. In addition, members will help review scholarships and innovative grant applications, as well as cultivate new board members.
- **As Advocates:** Members speak favorably about the college and the Foundation to friends and acquaintances that may have the ability to assist the college financially. Board members are ambassadors; they know the college story, tell it, and sell it.
