DOCUMENT RETENTION AND DESTRUCTION POLICY

Purpose and Background

In accordance with the Sarbanes-Oxley Act, which makes it a crime to alter, cover up, falsify, or destroy any document with the intent of impeding or obstructing any official proceeding, this policy provides for the systematic review, retention, and destruction of documents received or created by the MiraCosta College Foundation (the "Foundation") in connection with the transaction of organization business. This policy covers all records and documents, regardless of physical form, contains guidelines for how long certain documents should be kept, and how records should be destroyed (unless under a legal hold). The policy is designed to ensure compliance with federal and state laws and regulations, to eliminate accidental or innocent destruction of records, and to facilitate The MiraCosta College Foundation's operations by promoting efficiency and freeing up valuable storage space.
